Information

In 2008, Denver Water entered into an Agreement with sole proprietor Rick Corbin to provide corrosion expertise and support. Mr. Corbin is a NACE Certified Senior Corrosion Technologist. The original agreement was amended in 2009 with anticipation of a permanent staff position for 2010.

A permanent staff position was not obtained for this corrosion position, so on December 10, 2010, the Board approved Agreement 13405A in the amount of \$77,756.00 with Rick Corbin, Senior Corrosion Technologist. This project is to provide Corrosion Control support and assistance. This First Amendment will provide for Mr. Corbin to perform field tests, inspections, and drawing reviews. Mr. Corbin will update previous specification sections, update procedures and checklists, develop and revise construction details for inclusion in the Engineering CPCS, and review test results. Engineering staff hopes to terminate this contract sometime in 2012, assuming a permanent staff position is obtained.

The total cost for the First Amendment is \$78,000.00. The 2012 Capital Improvement Plan (MPC 4JA0004 – TOE 5950 Contract Staffing) includes sufficient funds for this amendment.

Recommendation

It is recommended that the Board authorize the First Amendment to Agreement 13405A with Rick Corbin in the amount of \$78,000.00 for a total not to exceed \$155,756.00.
