

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: January 13, 2010

Board Item: V-A-9

**AGREEMENT WITH MERRICK & COMPANY FOR THE DENVER FEDERAL CENTER UTILITIES INFRASTRUCTURE PROJECT AGREEMENT 12775A**

Action by Consent

Action

Information

In conjunction with Agreement 12701A with PCL Construction Services, Inc. (PCL), approved by the Board on December 9, 2009, Denver Water has agreed to design and construct new transmission facilities to the Denver Federal Center, all costs of which are reimbursable to the Board by PCL.

This Agreement is for Merrick & Company (Merrick) to design the new transmission facilities which includes 8,000 linear feet of 16-inch main and appurtenances from West 5<sup>th</sup> Avenue & Hoyt Street and West 1<sup>st</sup> Avenue & Holland Street to the Denver Federal Center. Merrick is being retained to complete the design as they completed the original cost estimating, preliminary alignments, and have a detailed understanding of the project.

*There was no Small/Minority/Women Business Enterprise (SMWBE) goal for this project as the original design consultant was retained as called for in Agreement 12701A with PCL Construction Services, Inc.*

The 2010 Capital Improvement Plan (MPC 1DD0092) includes funds for this project.

**RECOMMENDATION**

It is recommended that the Board award Agreement 12775A to Merrick & Company for the design of the Denver Federal Center Utilities Infrastructure Project in the amount of \$116,681.00 with a completion date of July 30, 2010.

**Budget Considerations**

Master Plan Code(s): 1DD0092

- Budgeted Item    ○ Unbudgeted Item    ○ Funds transferred from another project:

**Budget Information**

2010 Budget	\$3,009,000.00
