

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: October 12, 2011

Board Item: V-A-4

Authorization of Additional Funds for Trench Shoring Equipment Rentals

Action by Consent

Action

Information

The Board entered into Contract No. 13265A with United Rentals Northwest, Inc. (United Rentals) on April 1, 2011 to provide trench shoring equipment rentals for use in large excavations at construction projects throughout the Denver metropolitan area. The original contract period is April 1, 2011 through March 31, 2013, for a total contract amount not to exceed \$100,000.00. This contract has reached the not-to-exceed amount sooner than originally anticipated due to number of projects requiring full trench shoring equipment and implementation of required safety practices within Denver Water. This contract needs to be amended to increase compensation by \$120,000.00 and to implement a revised completion date of March 31, 2012. Additional trench shoring equipment needs beyond the revised completion date will be competitively bid under a new contract.

Trench shoring equipment rentals are included in the Operations & Maintenance budget as well as the capital budget for 2011 and 2012.

Recommendation:

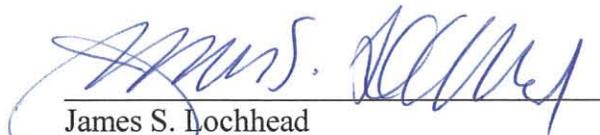

It is recommended that the Board authorize the additional funds for Contract No. 13265A to United Rentals in the amount of \$120,000.00, for a total compensation not to exceed \$220,000.00, and a revised contract completion date of March 31, 2012.

Approvals:

Respectfully submitted,

Thomas J. Roode
Director of Operations & Maintenance

James S. Lochhead
CEO/Manager

Angela C. Bricmont
Director of Finance
