Meeting Date: October 12, 2011

Board Item: V-A-6

Authorization of Additional Funds for Rental of Heavy Equipment

Action by Consent Action Information

Denver Water requires rental of heavy equipment for various projects on an as-needed basis. We are currently under contact with Honnen Equipment Company, Power Equipment Company and Worldwide Rental, all of which provide fixed pricing for equipment needed on short notice. Denver Water rents from all three Contractors based first on price and then on availability of each item listed. The contract period for Contract No. 12375A is November 1, 2009 through October 31, 2011 and the contract needs to be amended to add additional funds in the amount of \$45,000.00.

Funds for the Rental of Heavy Equipment are included in the 2011 budget under various MPCs.

Recommendation:

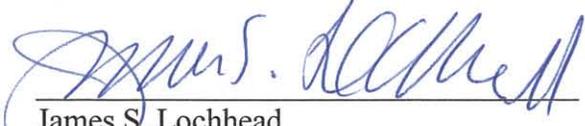

It is recommended the Board authorize the additional funds for Contract No. 12375A with Honnen Equipment Company, Power Equipment Company and Worldwide Rental in the amount of \$45,000.00, for a total contract amount not to exceed \$645,000.00.
