

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: August 13, 2014

Board Item: II-A-8

**Tabulation of Bids for the  
Kendrick Pump Station Modifications  
Contract 15363A**

Action by Consent

Action

Information

On July 29, 2014, bids were received for the Kendrick Pump Station Modifications Project. The project consists of furnishing and installing all labor, materials, and equipment for Kendrick Pump Station Renovations. To increase reliability, efficiency, personnel safety and equipment protection, the high-side motor controllers and Pump No. 11 are being replaced, and a new switchgear and local control panel are being installed. An Electrical Systems Analysis for the facility, including all new and existing equipment, will be completed.

As security at this site is restricted, four General Contractors were advanced pre-qualified. Two bids were received and the lowest qualified bid was submitted by Ludvik Electric Co. of Lakewood, Colorado in the amount of \$2,411,826.00. The Engineer's Estimate for the work was \$2,357,523.00.

*The Minority and Women Business Enterprise (MWBE) goal established for this construction project is 4% participation. Ludvik Electric Co. achieved 5.17% MWBE participation.*

The 2014 Capital Improvement Plan (MPC 2DB0330 and 2DB0339) includes sufficient funds for this project.

**Recommendation**

It is recommended that the Board approve Contract 15363A to Ludvik Electric Co. for the Kendrick Pump Station Modifications in the amount of \$2,411,826.00.

**Budget Considerations**

Master Plan Code(s): 2DB0330 and 2DB0339
