Electronic Check Conversion

When you provide a check as payment, you authorize Denver Water either to use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Wastewater Management Division

Sanitary sewage service is provided by the Wastewater Management Division, Department of Public Works, City and County of Denver. Rates are established by ordinance and revenues are restricted to the operation, maintenance, construction renewal and replacement of the sanitary sewage system.

Neglect, failure or refusal to pay the rates, charges or fees fixed by the Division for the connection with and use of the sanitary sewer system may result in a lien being filed upon the real property served. **Denver Revised Municipal Code Section 56-96(e).**

Rules, regulations and rates of the Wastewater Management Division are available for public inspection during regular business hours at the Division's offices, or on our website: pwwmd.denvergov.org/customerservice

Denver is a member of the Metro Wastewater Reclamation District. By contract with the city, Metro treats all Denver sewage in full conformity with all Federal and State laws.
