

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: March 10, 2010

Board Item V-A-4

Tabulation of Bids for Natural Grass Mowing

Action by Consent

Action

Information

Labor, equipment and materials are required for natural grass mowing at Denver Water facilities.

Requests for bids were sent to forty-seven potential bidders, including five SBE's, and faxed to eight SBE organizations. Denver Water received twenty-five responses, including four SBE's, as per the attached tabulation. Prices on the Bill of Material are listed as price per mow. The lowest bidder did not bid on fifteen of the thirty-six line items. The second lowest bidder is from out of state and does not have equipment or personnel located in Colorado. The third lowest bidder is not qualified due to past performance. Contract amount is based on four mowings per year for two years. Prices are firm for the first twelve months of the contract.

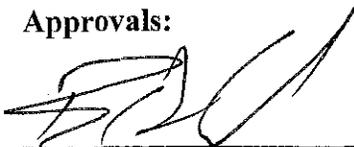

The previous contract for natural grass mowing was awarded to Keesen Enterprises, Inc. on March 12, 2008.

Funds are included in the 2010 Budget and will be included in the 2011 and 2012 Budgets for these expenditures (Various MPC's).

Recommendation:

It is recommended the Board authorize award of Contract No. 12792A to Terracare Associates to furnish natural grass mowing, for the contract period March 1, 2010 through February 29, 2012, for a total contract amount not to exceed \$130,000.00. This award is based on lowest qualified price meeting specifications.

Approvals:

Brian Good, Director of Oper. & Maint.

Respectfully submitted,

H. J. Barry, Manager

David LaFrance, Director of Finance
