

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: March 10, 2010

Board Item V-A-5

Tabulation of Bids for Butterfly Valves for Foothills Treatment Plant

Action by Consent Action Information

Butterfly valves and actuators are needed for scheduled engineering projects at the Foothills Treatment Plant. The valves and actuators will replace outdated existing valves and actuators.

Requests for bids were sent to fourteen potential bidders, and faxed to eight SBE organizations, with four responding per the attached tabulation. None of the respondents were SBE's.

Funds are included in the 2010 Budget for this expenditure (MPC 2CE0539).

Recommendation:

It is recommended the Board authorize award of Contract No. 12897A to Henry Pratt Company to furnish butterfly valves and actuators for Foothills Treatment Plant for a total contract amount of \$394,096.00. This award is based on best price, compliance with specifications and acceptable delivery.
