

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: March 10, 2010

Board Item V-E-2

**Contract Extension with Sempra Professional Services for a
MAXIMO Software Developer / Configuration Specialist**

Contract# 11607A

Dinesh Shenoy of Sempra professional Services has been engaged as a MAXIMO software developer / configuration specialist, augmenting staffing in the Tier III New Solutions Section of the Information Technology Division since April of 2008. Dinesh has been instrumental in all of our 2009 Enterprise Asset Management System (EAMS) initiatives, including:

- Automating the creation of Work Orders for T&D (in MAXIMO), from the Emergency Services mobile system
- Automating work management of the Hydrant Inspection program
- Automating T&D (Transmission & Distribution) work management using the MAXIMO system

Over the next year, Dinesh will continue in the role of MAXIMO software developer / configuration specialist, with a focus on EAMS initiatives, including:

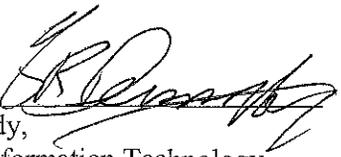

- Further automating the Flushing program through the use of MAXIMO Condition Monitoring capabilities to track results
- Automating Distribution Engineering work estimating via MAXIMO CUE capabilities
- Automating Warehouse & Inventory Management activities using hand-held technologies with integration to MAXIMO

Services provided under this contract extension will be charged at the current rate of \$110.00/hour. Funding for this contract extension is budgeted in the IT capital budget for Enterprise Asset Management advancements (MPC 3HN0006).

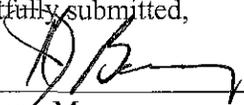

Recommendation:

It is recommended the Board approve this contract extension with Sempra Professional Services for the software development and configuration services of Dinesh Shenoy, for an additional twelve months, for an additional amount not to exceed \$220,000. This extension will bring the contract amount with Sempra Professional Services to a total of \$641,600.

Approvals:

Chris Dermody,
Director of Information Technology
