

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: March 10, 2010

Board Item V-E-4

**Contract Extension with Point B Solutions Group, LLP. for  
IT Project Management Services**

Contract# 11586A

---

Sharon Flinn of Point B Solutions Group has been engaged as senior Project Manager, augmenting staffing in the Tier III New Solutions Section of the Information Technology Division since March of 2008. Sharon has led the Enterprise Asset Management System advancements, including; hydrant data consolidation, automation of the hydrant inspection program, and automation of work management for the Transmission & Distribution Section. Over the course of the next year, Sharon will lead planned EAMS project initiatives, including:

- Development of a new E-Map (GIS) system
- Flushing program automation enhancements
- T&D Locates automation
- Synchronization & migration of valve asset information into the EAMS
- Mobilization of T&D field work management

Services provided under this contract extension will be charged at the current rate of \$178.00/hour. Funding for this contract extension is budgeted in the IT capital budget for Enterprise Asset Management (MPC 3HN0006).

Recommendation:

It is recommended the Board approve this contract extension with Point B Solutions Group, LLP for the project management services of Sharon Flinn, for an additional twelve months, for an additional amount not to exceed \$356,000. This extension will bring the contract amount with Point B Solutions Group to a total of \$916,700.
