

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: April 13, 2011

Board Item: V-A-11

Tabulation of Bids for Butterfly Valves and Actuators

Action by Consent Action Information

Butterfly valves are used for new installations and replacements to the distribution system. The valves are for various job locations and to replenish stock requirements. The valves ordered this year range from 24" to 60".

Requests for bids were accessed by fifty-one potential bidders, and faxed to eight SBE organizations, with three responding per the attached tabulation. None of the respondents were SBE's.

The previous contract for butterfly valves and actuators was awarded to Val-Matic Valve & Manufacturing on April 14, 2010.

Funds are included in the 2011 Budget for these expenditures. (MPC 5QA0002 for \$93,329.16 and MPC 2DD009 for \$13,452.66)

Recommendation:

It is recommended the Board authorize award of Contract No. 13513A to Val-Matic Valve & Manufacturing, to furnish butterfly valves and actuators, for a total contract amount of \$106,781.82.
