

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: April 10, 2013

Board Item: VI-F-6

2012 Disposal of Used Vehicles and Equipment

Action by Consent

Action

Information

Denver Water periodically disposes of fleet vehicles and other equipment that are below minimum operating and maintenance standards. In 2012, Roller & Associates, Inc., auctioned these vehicles, equipment and miscellaneous items to the highest bidder on behalf of Denver Water. The 2012 auction results are summarized below for the Board's information.

The total amount received from Roller & Associates, Inc., for 51 fleet vehicles was \$142,170.00 and for miscellaneous items was \$16,171.65. For comparison purposes, in 2011 Denver Water received \$100,767.00 for 39 fleet vehicles and \$8,218.70 for miscellaneous items.

In addition, Denver Water received \$72,088.65 from Iron and Metals, Inc., for 2012 scrap metal sales. For comparison purposes, in 2011 Denver Water received \$78,302.65 from scrap metal sales.

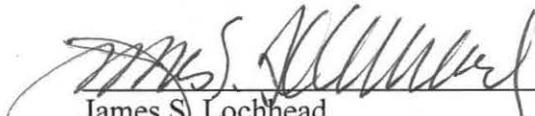

Lastly, 2012 equipment and vehicle trade-ins yielded \$148,800.00 for Denver Water. This included one 1996 John Deere Excavator, one 1997 Cushman Tunnel Vehicle (Jones Pass), one 1997 John Deere Loader/Backhoe, one 1968 Ford Loader/Backhoe, one 1994 Melroe Loader w/ auger head, one 1992 John Deere 2555 Mower, one 1997 Ford F800 4yd Dump Truck, one 1997 International 4900 10yd Dump Truck, one 1997 International 4yd Dump Truck, one 2000 International 4yd Dump Truck and one 2001 International 4900 14yd Dump Truck.
