Information

Denver Water purchases Caterpillar original equipment manufacturer parts and repair services for approximately 29 Denver Water heavy equipment assets. Material and service costs are approximately \$54,000.00 per year.

Wagner Equipment Co. is the designated Caterpillar dealer for the Denver Metro area, making this vendor the sole source for these specific parts and services. Denver Water wishes to enter into an agreement with Wagner Equipment Co. to provide OEM materials and services for all Caterpillar equipment.

Funds for the material and services are included in the Operations and Maintenance 2014 Budget and ten year plan.

Recommendation:

It is recommended that the Board authorize award for Agreement 15656A to Wagner Equipment Co. for Caterpillar original equipment manufacturer parts and services for the contract period October 22, 2014 through December 31, 2017 for a total contract amount of \$150,000.00
