Information

Denver Water purchases John Deere original equipment manufacturer parts and repair services for approximately 37 Denver Water heavy equipment assets. Material and service costs are approximately \$110,000.00 per year.

Honnen Equipment Co. is the designated John Deere dealer for the Denver Metro area, making this vendor the sole source for these specific parts and services. Denver Water wishes to enter into an agreement with Honnen Equipment Co. to provide OEM materials and services for all John Deere equipment.

Funds for the material and services are included in the Operations and Maintenance 2014 Budget and ten year plans.

Recommendation:

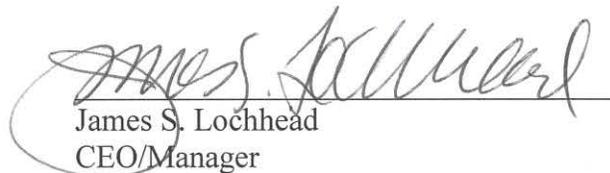

It is recommended that the Board authorize award of Agreement No. 15609A to Honnen Equipment Co. for John Deere original equipment manufacturer parts and services for the contract period October 22, 2014 through December 31, 2017 for a total contract amount of \$250,000.00.
