Information

The Board requires an occupational medicine physician to be present part-time at its on-site Clinic to see employees regarding Workers' Compensation Claims and to provide other medical services as needed. Denver Water currently has a contract with Hugh H. Macaulay, III, M.D. to provide medical services and treatment for occupational illnesses and injuries. The initial contract period is January 1, 2013 through December 31, 2014 with the option to extend. Denver Water would like to extend Contract No. 14482A for two additional years and add additional funds to the contract to cover the time extension.

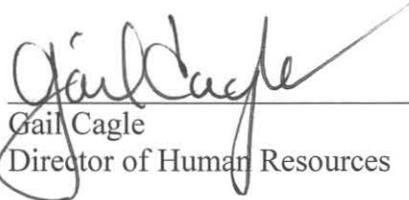

Funds for Occupational Medical Physician Services are included in the Human Resources 2014 budget and ten year plans.

Recommendation:

It is recommended that the Board authorize the First Amendment to Contract 14482A with Hugh H. Macaulay, III, M.D., to extend the term through December 31, 2016, and increase the contract amount by \$300,000.00, for a total contract amount not to exceed of \$660,000.00.
