Meeting Date: October 14, 2009

Board Item: V-A-17

**TABULATION OF BIDS
FOOTHILLS TREATMENT PLANT FLOC/SED BASINS
RESERVOIR NO. 3 STRUCTURAL REPAIRS
CONTRACT 12501A**

Action by Consent

Action

Information

On October 6, 2009, bids were received for the Foothills Treatment Plant Floc/Sed Basins Reservoir No. 3 Structural Repairs. The project consists of furnishing and installing structural repairs at the Foothills Treatment Plant Flocculation/Sedimentation (Floc/Sed) Basin Complex - Reservoir No. 3.

Two bids were received with the low bid being submitted by Restruction Corporation of Sedalia, Colorado, in the amount of \$513,477.38. The Engineer's Estimate for the work was \$687,147.00.

The Foothills Floc/Sed complex was originally constructed in two phases in the late 1970s/early 1980's. The Foothills Reservoir No. 3 was constructed in 2002. Both of these large, critical structures require structural repair work to address existing problems as well as to extend their useful life.

The Minority and Women Business Enterprise (MWBE) goal for this project has been established as 5% participation of the total project amount. Restruction Corporation achieved 5.96% MWBE participation.

The 2009/2010 Capital Improvement Plan (MPC 2CE5040) includes funds for this project.

RECOMMENDATION

It is recommended the Board award Contract 12501A to Restruction Corporation for Foothills Treatment Plant Floc/Sed Basins Reservoir No. 3 Structural Repairs in the amount of \$513,477.38.

Budget Considerations

Master Plan Code(s): 2CE5040

● Budgeted Item ○ Unbudgeted Item ○ Funds transferred from another project:

Budget Information

2009/2010 Budget	\$610,913.60
Amount Requested This Item	\$513,477.38
YTD Expenditures	\$86,656.00
Additional Expenditures Anticipated	\$10,780.22
Revised 2009/2010 Estimate	\$610,913.60
Variance Required	\$.00
