Information

The Board entered into Contract No. 14269A with Safesite, Inc. to perform potholing services for the contract period July 15, 2012 through July 14, 2013. Potholing is the practice of digging a test hole through vacuum excavation in order to safely expose existing underground utilities in a nondestructive manner. This contract is nearing its expiration and has reached the not to exceed amount of \$200,000.

The Capital Improvement Plan (MPC 2DD0003) includes sufficient funds for the current year; funds will be included in the 2014 and 2015 budgets.

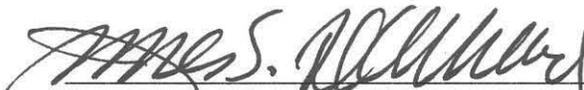

Recommendation:

It is recommended the Board authorize the additional funds for Contract No. 14269A with Safesite, Inc. to perform Potholing Services for the contract period July 15, 2013 through July 14, 2015, for an additional contract amount of \$500,000, for a total contract amount not to exceed \$700,000.
