

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: February 8, 2012

Board Item: V-A-6

Authorization of Additional Funds for Tree and Shrub Maintenance and Removal

Action by Consent

Action

Information

Denver Water requires tree and shrub maintenance and removal services at a variety of its facilities throughout Colorado. The major snowstorm that occurred in December 2011 resulted in an increased amount of these services required along the High Line Canal. Consequently, Contract No. 12161A with Swingle Lawn, Tree & Landscape Care will reach the estimated not-to-exceed amount before the termination of the Contract and therefore needs to be amended to increase compensation by \$8,000.00.

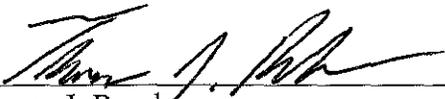

Funds for tree and shrub maintenance and removal services are in the budget for 2012.

Recommendation:

It is recommended that the Board authorize the additional funds for Contract No. 12161A with Swingle Lawn, Tree & Landscape Care for tree and shrub maintenance and removal for an additional contract amount of \$8,000.00, for a total contract amount not to exceed \$108,000.00.
