

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: February 8, 2012

Board Item: V-A-8

**Contract Extension with Sempra Professional Services for
COGNOS System Administration Services**
(Contract 12475A)

Action by Consent

Action

Information

Suraj Neupane of Sempra Professional Services (a WBE certified firm) has been engaged as a COGNOS System Administrator, a core position in the Information Technology Division since August of 2009. COGNOS is the software product used for data reporting and analysis. Continued system administration work is required to support Denver Water's existing and growing use of the COGNOS across all divisions. It is anticipated that this core position will be filled by a regular employee at some point in the future when a budget approved TO slot is available. In the meantime, it is necessary to extend this contract for COGNOS system administration services.

Services provided under this contract extension will be charged at the rate of \$90.00/hour. Funding for this contract extension is fully budgeted in the IT Professional Services budget (MFC 4JN0100).

Recommendation:

It is recommended the Board approve this contract extension with Sempra Professional services, LLC for the COGNOS system administration services of Suraj Neupane, for an additional twelve months, for an additional amount not to exceed \$180,000. This extension will bring the contract amount with Sempra Professional Services, LLC to a total of \$599,200.

Approvals:

Respectfully submitted,

Christopher R. Dermody
Director of Information Technology

James S. Lochhead
CEO/Manager

Patricia L. Wells,
General Counsel
