Information

Denver Water rents traffic control barricades and flag personnel for use throughout the Denver Metropolitan Area. The Contract No. 12862A with Northern Barricade Company has reached the not to exceed amount due to the unusually high volume of projects requiring traffic control services. This contract needs to be amended to increase compensation by \$304,000 and to implement a revised completion date of September 30. Additional traffic control services beyond the revised completion date are being competitively bid under a new contract.

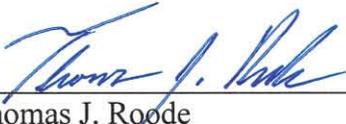

Rental of Traffic Control Barricades are budgeted in the Operations & Maintenance budget as well as the capital budget for 2011.

Recommendation:

It is recommended the Board authorize the additional funds and new completion date for Contract No. 12862A with Northern Barricade Company for rental of traffic control barricades and flag personnel services for the revised contract period of October 1, 2010 through September 30, 2011, for an additional contract amount of \$304,000, for a total contract amount not to exceed \$1,304,000.
