Action

Information

On August 18, 2011, proposals were received for the 8-Inch Main: East 50th Avenue and Vasquez Boulevard Extension. The project scope includes furnishing and installing 144 feet of 8-inch pressure pipe using the open-cut method and 177 feet of 8-inch pressure pipe installed inside of a 24-inch diameter steel casing pipe using pipe jacking construction methods.

Four proposals were received with the low proposal being submitted by Iron Woman Construction Environmental Services of Denver, Colorado in the amount of \$169,954.00. The Engineer's Estimate for the work was \$185,250.00.

The Minority and Women Business Enterprise (MWBE) goal established for this construction project is 5% participation. Iron Woman Construction Environmental Services, is a certified Minority Business Enterprise company and will obtain 49.74% MWBE participation.

The 2011 Capital Improvement Plan (MPC 1DD0092) includes sufficient funds for this project.

Recommendation

It is recommended that the Board award Contract 13435A to Iron Woman Construction Environmental Services for 8-Inch Main: East 50th Avenue and Vasquez Boulevard Extension in the amount of \$169,954.00.
