COMMERCIAL WEATHER-BASED SMART CONTROLLER **2010** REBATE APPLICATION

Qualifications:

- Purchase a new smart controller along with any required weather instrumentation from qualifying model list between January 1 and December 31, 2010 and have it installed at the service address.
- Multiple smart controllers are allowed per account.
- The original receipt for your smart controller(s) must be attached to this application. (Keep a copy of your receipt for your personal records.)
- Property must receive treated water from Denver Water or a Denver provider. (See accompanying list to see if your provider qualifies).
- Denver Water must verify installation and will call to schedule an inspection visit.
- YOU MUST SUBMIT YOUR APPLICATION WITHIN 90 DAYS OF PURCHASE.** Installation and inspection must be completed within 12 months.
- Mail completed application to your water provider, who will forward to Denver Water.
- Please allow 8-12 weeks for your completed application to be processed.
- If you have questions, please call 303-607-3110.

** Failure to cash a rebate check within 90 days of issuance shall void the rebate and shall relieve Denver Water of any obligation or liability to pay the rebate. Rebate checks cannot be reissued.*

Applicant Section: Please return this completed form with your original sales receipt to Denver Water to qualify for the rebate

Enter the name and address of the person/company receiving the rebate:

Name		Daytime Phone No.
Company		Federal Tax ID No.
Address	City	Zip code
