Information

Street cuts in asphalt and concrete are required for Transmission and Distribution crews to access water mains. The Contractor is required to provide these services on a 24/7 basis at various locations within the Denver Metropolitan area.

Requests for bids were sent to twelve potential bidders, including one SBE, and faxed to nine SBE organizations, with four responding, as per the attached tabulation. The low unit pricing submitted by Straight Line Sawcutting is, on average, 29% lower than the previous contract.

The previous Contractor for Asphalt and Concrete Sawing Services was awarded to DeAndrea Coring & Sawing, Inc.

**RECOMMENDATION:**

It is recommended the Board authorize award of Contract No. 12182A to Straight Line Sawcutting for Asphalt and Concrete Sawing Services for the period May 1, 2009 through April 30, 2011, for a total contract amount of \$150,000.00. Funds are included 2009 Budget and will be included in the 2010 and 2011 Budgets for these expenditures (Various MPC's).
