Information

Denver Water assisted the City and County of Denver by agreeing to contribute \$75,000.00 per year for three years for the compensation for a Program Manager for the Greenprint Denver Action Agenda. Agreement 10759C for 2008 has been amended to increase the amount of the contract from \$75,000.00 to \$150,000.00 to allow compensation for 2009. This is the final year of Denver Water's financial support to the Greenprint program.

RECOMMENDATION:

It is recommended that the Board approve Amendment Number One to contract number 10759C as the final contract with Greenprint Denver.
