Information

On November 20, 2009, proposals were received for a Contract Civil Engineer. Four proposals were submitted with two firms submitting two candidates. The contract is for six month duration for a consultant civil engineer to support in-house engineering staff on a variety of assignments.

An engineer with AECOM USA, Inc. was selected for this assignment based on relevant experience, availability and billing rate. The contract amount of \$120,000.00 is for six months of engineering labor plus an estimated vehicle expense.

There is no Small Minority and Women Business Enterprise (SMWBE) goal for this portion of the contract.

Costs will be charged based on hours spent to various projects budgeted in the 2010 Capital Improvement Plan.

RECOMMENDATION

It is recommended the Board approve Contract 12719A with AECOM USA, Inc. in the amount of \$120,000.00.
