

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: July 27, 2011

Board Item: V-A-1

**Contract Extension with Maven Companies, Inc. for  
GIS Application Development Services**

---

Action by Consent       Action       Information      Contract # 13478A

---

Neeraj Singh of Maven Companies, Inc. (an MBE certified firm) has been providing GIS application development services on the EMAP project team since February, 2011. An estimated additional nineteen work days or needed to complete development work, which will allow the Board to replace the old map server application with the new EMAP system.

Services provided under this contract extension will be charged at the current rate of \$115.00/hour. Funding for this contract extension is budgeted in the IT EMAP Project budget (MPC 3HN0035).

Recommendation:

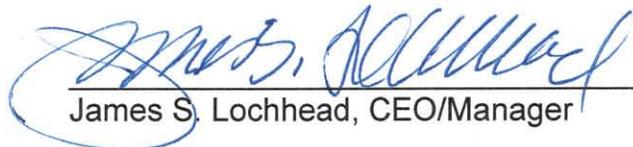

It is recommended the Board approve this contract extension with Maven Companies, Inc. for the GIS application development services of Neeraj Singh, for an additional amount not to exceed \$17,500. This extension will bring the contract amount with Sempra to a total of \$112,260.

Respectfully submitted,
