Board Item: V-A-2

Contract Extension with The Doyle Group for IT Infrastructure Project Management Services

Action by Consent

Action

Information

Contract # 13117A

The Doyle Group (a Small Business Enterprise) has been engaged to provide Infrastructure Project Management services in the IT Enterprise Infrastructure Section of the Information Technology Division since October of 2010. Two Doyle Group consultants have been used to fill this core staffing role (Janine Luders from October, 2010 through April, 2011, and Delinda Waldron from May, 2011 through current):

Currently, there are over fifty Enterprise Infrastructure projects requiring project management services. We would like to extend this contract with the Doyle Group for the continued project management services of Delinda Waldron for an additional six months in order to provide sufficient time to fill this position with a regular fulltime employee.

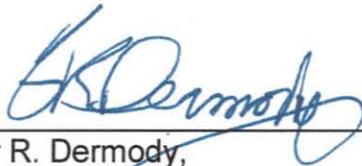

Services provided under this contract extension will be charged at the current rate of \$85.00/hour. Funding for this contract extension is budgeted in the IT Professional Services budget (MPC: 4JN0100)

Recommendation:

It is recommended the Board approve this contract extension with The Doyle Group, for the services of Delinda Waldron for an additional six months, for an additional amount not to exceed \$85,000. This extension will bring the total contract amount with The Doyle Group to a total of \$264,000.

Respectfully submitted,

Approvals:

Christopher R. Dermody,
Director of Information Technology

James S. Lochhead, CEO/Manager

Patricia L. Wells,
General Counsel
