Information

Contract# 13119A

Carey McGuire of The Doyle Group has been engaged as a Business Analyst, augmenting staffing in the Tier III New Solutions section of the Information Technology division since June of 2010. Carey brings twenty five years of experience with Colorado Springs Utilities, where he most recent roll was senior Business Analyst for the implementation of the mobile workforce automation system for their customer service field organization.

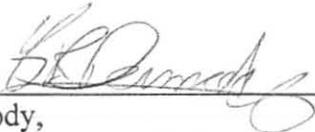

Over the past six months, Carey has been working with Denver Water's Customer Service Field staff, developing system requirements and design for our Customer Service Field mobile workforce automation system. Over the next eleven months, Carey will complete the business analysis work, as well as contribute to testing and quality assurance work on the project.

Services provided under this contract extension will be charged at the current rate of \$95.00/hour. Funding for this contract extension is budgeted in the Customer Service Field Mobile Workforce Automation project budget (MPC: 3HN0032).

Recommendation:

It is recommended the Board approve this contract extension with The Doyle Group, for the services of Carey McGuire for an additional eleven months, for an additional amount not to exceed \$156,750. This extension will bring the total contract amount with The Doyle Group to a total of \$251,750.

Approvals:

Chris Dermody,
Director of Information Technology

Respectfully submitted,

James S. Lochhead, CEO/Manager

Patricia L. Wells,
General Counsel
