Information

In February, 2012, Art Laubach of the Doyle Group (an SBE) was engaged through a competitive selection process to fill a SharePoint Developer & Administrator position in the Information Technology Division. The scope of his work has been primarily focused on SharePoint application development projects as well as the SharePoint 2010 Upgrade project.

This contract extension includes the following scope of work:

- Assist in the upgrade of the Board's SharePoint environments to the latest 2013 version, including the Denver Water Intranet site, Inflow,
- Assist in the deployment of Records Management and Legal Hold Management software tools.
- Assist in the deployment of the necessary web portal infrastructure to support secure online information portals for employees, retirees, customers, distributors and business partners.
- Assist in the upgrade of the Board's Team Foundation Server (TFS) technology from TFS 2012 to TFS 2013.

Services provided under this contract will be charged at the existing contract rate of \$100.00/hour. Funding for this contract extension is fully budgeted in the IT Professional Services budget (MPC 4JN0100).

Recommendation:

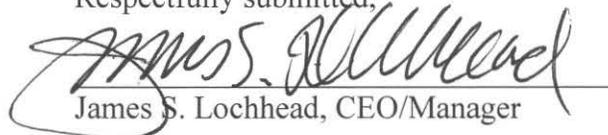

It is recommended the Board approve this contract extension with The Doyle Group, for the SharePoint Development & Administration services of Art Laubach, through the end of 2014, for an additional amount not to exceed \$153,600. This contract extension will bring the total contract amount with the Doyle Group to \$529,600.

**Approvals:**

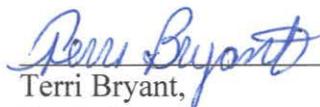

Chris Dermody,  
Director of Information Technology

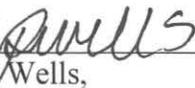

Respectfully submitted,
