

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: March 12, 2014

Board Item: II-A-6

**Tabulation of Bids for Cone Valves for the
2014-15 Vault Modifications Project
Contract 15369A**

Action by Consent

Action

Information

Denver Water is replacing valves at 56th Avenue and Quebec Street under the 2014-2015 Vault Modifications Project. The valves need to be pre-purchased from a qualified cone valve manufacturer in order to meet the conduit outage schedule for the 2014-2015 Vault Modifications Project. Valves will be installed by the project's construction contractor under a separate contract.

Denver Water issued an Invitation for Bids to two pre-qualified manufacturers for three electrically operated Roto-Cone Valves. The Board received bid responses from both pre-qualified manufacturers; Rodney Hunt – Fontaine, Inc. submitted the low bid meeting Denver Water's submittal, drawing and equipment delivery schedules in the amount of \$285,762.00.

The 2014-2015 Capital Improvement Plan (MPC 2DE0004) includes sufficient funds for this project.

No Minority and Women Business Enterprise (MWBE) goal was established for this equipment purchase since no MWBE firms manufacture this equipment. MWBE participation will be obtained in the project's construction phase.

Recommendation

It is recommended that the Board authorize award of Contract 15369A to Rodney Hunt – Fontaine, Inc. for the Roto-Cone Valves, for the contract term March 12, 2014 through June 30, 2015, for a total amount not to exceed \$285,762.00.

Budget Considerations

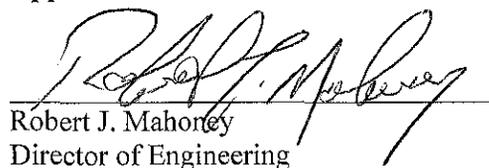

Master Plan Code(s): 2DE0004

Budgeted Item Unbudgeted Item Funds transferred from another project:

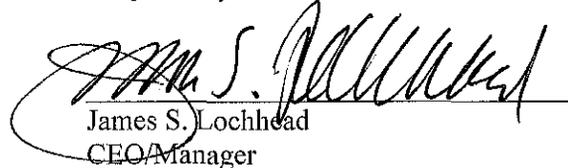

Budget Information

2014-15 Budget	\$	3,558,861.23
Amount Requested This Item	\$	285,762.00
YTD Expenditures	\$	42,195.32
Additional Expenditures Anticipated	\$	3,230,903.91
Revised 2014-2015 Estimate	\$	3,558,861.23
Variance Required	\$	0.00
