Contract# 13117A

Janine Luders of The Doyle Group has been engaged as an Infrastructure Project Manager, augmenting staffing in the Tier IV Enterprise Infrastructure Section of the Information Technology Division since October of 2010. Janine will be leaving this assignment at the end of March, 2011 and will be replaced by Delinda Waldron from The Doyle Group. There are approximately fifty Enterprise Infrastructure projects requiring project management services, including deployment of:

- Server Virtualization
- Storage Area Network (SAN) upgrade and expansion
- SCADA network upgrades
- New Server backup software
- Oracle & SQL Server database software upgrades
- Unix server conversions to the HP Itanium platform
- Incremental disaster recovery capabilities
- Network Firewall, IDS and A/V upgrades
- Voice recording system upgrade

Services provided under this contract extension will be charged at the current rate of \$85.00/hour. Funding for this contract extension is budgeted in the IT Professional Services budget (MPC: 4JN0100)

Recommendation:

It is recommended the Board approve this contract extension with The Doyle Group, for the services of Delinda Waldron for an additional six months, for an additional amount not to exceed \$85,000. This extension will bring the total contract amount with The Doyle Group to a total of \$179,000.

**Approvals:**

Chris Dermody,  
Director of Information Technology
