Contract# 12549A

Shannon Stewart of The Doyle Group has been engaged as a Software Developer, augmenting staffing in the Tier III New Solutions Section of the Information Technology Division since August of 2009. Shannon led the software development work on the newest version of the Customer Correspondence Library system, and development of the new web based Business Portal which enables our business partners to interact with us through web based applications accessed through [www.denverwater.org](http://www.denverwater.org).

Over the course of the next year, Shannon will contribute as a key software developer on a number of projects, including:

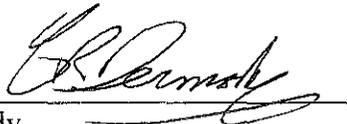

- the new mobile workforce systems for T&D Locates and Customer Service Field crews
- the new Engineering Project Portal
- the new web based Small Business Tracker

Services provided under this contract extension will be charged at the current rate of \$85.00/hour. Funding for this contract extension is budgeted in the IT Professional Services budget (MPC: 4JN0100).

Recommendation:

It is recommended the Board approve this contract extension with The Doyle Group for the software development services of Shannon Stewart, for an additional twelve months, for an additional amount not to exceed \$170,000. This extension will bring the contract amount with The Doyle Group to a total of \$423,000.

**Approvals:**

Chris Dermody,  
Director of Information Technology

Respectfully submitted,

James S. Lochhead, CEO/Manager
