Information

Denver Water stocks butterfly valves for new installations and replacements to the distribution system. Some of the butterfly valves to be purchased on this contract are considered non-stock for capital projects. The sizes of valves to be ordered this year range from 16 to 60 inches.

The Invitation for Bids was sent to three prequalified bidders, all of whom responded. The most responsive bidder was Val Matic Valve & Manufacturing Corp. None of the respondents were SBEs.

Funds for butterfly valves and actuators are included in the 2012 budget under MPC 5QA0002.

Recommendation:

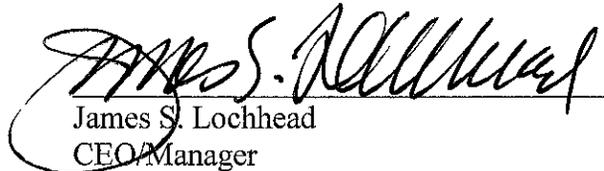

It is recommended that the Board authorize the award of Contract No. 14091A to Val Matic Valve & Manufacturing Corp., to furnish butterfly valves and actuators, for the contract period April 11, 2012 through December 31, 2012, for a total contract amount not to exceed \$323,426.00.

Approvals:
