Information

Denver Water rents OSHA-compliant trench shoring equipment to support trench walls and to protect employees from large excavation cave-ins at Transmission and Distribution project sites.

The Invitation for Bids was sent to three potential bidders, none of whom were SBEs. Denver Water received one response, which was from United Rentals Northwest, Inc.

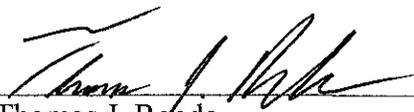

Funds for trench shoring equipment rentals are included in the Operations and Maintenance and capital budgets for 2012 and 2013.

Recommendation:

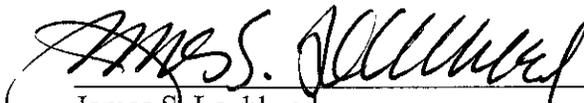

It is recommended the Board authorize the award of Contract No. 14078A to United Rentals Northwest, Inc. for a total contract amount not to exceed \$300,000.00 for the period April 1, 2012 through March 31, 2013.

Approvals:
