

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: April 11, 2012

Board Item: V-A-8

**Tabulation of Bids for Cast Iron Valve Box Components
Contract # 13471A**

Action by Consent

Action

Information

Denver Water requires cast iron valve boxes to provide protection and allow operating access to valves after they are buried in the street. Valve box components are used in the replacement and repair of manholes and valve boxes.

The Invitation for Bids was downloaded by 18 potential bidders and sent to 10 SBE trade organizations. Denver Water received three responses, two of which were from SBEs. Four schedules were included for this bid. Castings, Inc., an SBE, was the low bidder for all four schedules.

Funds for cast iron valve box components are included in the 2012 budget and will be included in the 2013 budget.

Recommendation:

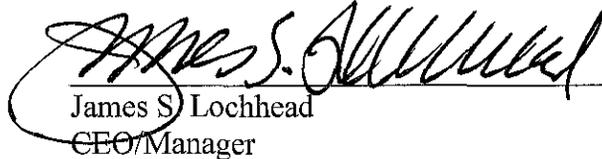

It is recommended that the Board authorize the award of Contract No. 13471A to Castings, Inc. for the term March 1, 2012 through February 28, 2014, for a total contract amount not to exceed \$450,000.00.

Approvals:

Respectfully submitted,

Thomas J. Roode
Director of Operations & Maintenance

James S. Lochhead
CEO/Manager

Angela C. Bricmont
Director of Finance
