

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: March 13, 2013

Board Item: V-A-19

Tabulation of Proposals for Conduit No. 1 Relocation from West 14th Avenue and Federal Boulevard to West 16th Avenue and Federal Boulevard Project Contract 14506A

Action by Consent Action Information

On February 28, 2013, proposals were received for Conduit No. 1 Relocation from West 14th Avenue and Federal Boulevard to West 16th Avenue and Federal Boulevard Project. This relocation was necessitated by the construction of a new CDOT bridge on Federal Boulevard at Colfax leaving Conduit No. 1 too close to new bridge abutments. CDOT will provide \$516,500.00 for the relocation per Agreement 13492A. Future intersection modifications were also considered during development of the relocation alignment so that subsequent relocation could be avoided. The project includes furnishing and installing approximately 2,360 feet of 30-inch and 24-inch conduit, tunneling approximately 160 feet of 48-inch casing pipe, and installing approximately 1,100 feet of 4-inch to 12-inch distribution main in Denver, Colorado. The project also includes asphalt paving and storm sewer reconfiguration.

Six firms were provided with proposal packages. Five proposals were received with the low proposal submitted by T. Lowell Construction, Inc. of Castle Rock, Colorado in the amount of \$1,340,000.00. The Engineer's Estimate for the work was \$1,593,130.00.

The Minority and Women Business Enterprise (MWBE) goal established for this construction project is 5% participation. T. Lowell Construction, Inc. achieved 5.01% MWBE participation.

The 2013 Capital Improvement Plan (MPC 2DD0427) does not include sufficient funds for this project.

Recommendation:

It is recommended that the Board award Contract 14506A to T. Lowell Construction, Inc. for Conduit No. 1 Relocation from West 14th Avenue and Federal Boulevard to West 16th Avenue and Federal Boulevard Project in the amount of \$1,340,000.00.

Budget Considerations
