

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: March 26, 2014

Board Item: II-A-3

Additional Contract Funds for Maintenance & Support of SCADA Software

Contract # 14982A

Action by Consent

Action

Information

Denver Water licenses the OpenBSI Utility software product from Emerson Process Management to enable process control technicians to set-up and configuration of SCADA (Supervisory Control and Data Acquisition) components, including RTUs (Remote Terminal Units) and transmitters.

Additional authorized funds of \$57,067.50 are required for 2014 annual maintenance and support services. These funds are included in the 2014 Process Control budget.

Recommendation:

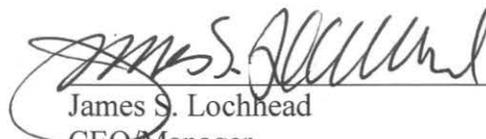

It is recommended that the Board approve additional contract funding of \$57,067.50 for contract 14982A with Emerson Process Management, resulting in a total contract amount of \$146,763.85

Approvals:

Chris Dermody,
Director of Information Technology

Respectfully submitted,

James S. Lochhead
CEO/Manager

Terri Bryant
