Information

On January 28, 2010, bids were received for the First Creek Drainage Crossing. The project consists of furnishing and installing cast-in-place structures, 96 LF of precast culverts, metal trashracks and handrail, controlled low strength material, water diversion, and channel grading. The project is located at the North Downstream Reservoir (Gravel Pits) complex in Commerce City, Colorado.

Nine bids were received with the low bid being submitted by Weinland Construction, Inc. of Loveland, Colorado, in the amount of \$98,970.00. The Engineer's Estimate for the work was \$151,400.00. It is anticipated that if a future Change Order for services during construction is executed in 2010, the total contract amount will exceed \$100,000.00. Therefore, we are requesting Board approval for this Contract. Any future Change Orders will be processed per Denver Water requirements.

*The Minority and Women Business Enterprise (MWBE) goal for this project has been established as 5% participation of the total project amount. Weinland Construction, Inc. achieved 5.06% MWBE participation.*

The 2010 Capital Improvement Plan (MPC 1AL0001) includes funds for this project.

**RECOMMENDATION**

It is recommended the Board award Contract 12687A to Weinland Construction, Inc. for the First Creek Drainage Crossing in the amount of \$98,970.00.
