Information

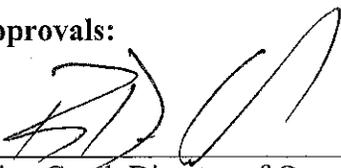

Since 1970, Denver Water has participated in the State of Colorado Master Vehicle Contract established by competitive bidding. Denver Water also participates in contracts awarded by the Colorado Department of Transportation (CDOT), and other governmental agencies. These Master Contracts allow state and local governments to gain price advantages inherent in high volume contracts.

Line items 19 and 21 are specialized equipment that are not part of any Master Contract.

Recommendation:

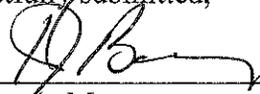

It is recommended the Board authorize the purchase of items 1 and 2 from Spradley Barr Ford for \$250,950.00; items 3 and 4 from Sill-Tehrar Motors for \$294,894.00; items 5-11 from Heritage Ford for \$381,424.00; items 12-19 from OJ Watson for \$561,194.00; items 20 and 21 from MHC Kenworth for \$258,581.00; and item 22 from Power Screening Equipment for \$51,500.00, for a total contract amount of \$1,798,543.00. Funds for these items have been included in the 2010 Capital Improvement Plan (MPC 3HH0001).

Approvals:

Brian Good, Director of Oper. & Maint.
