Information

On June 28, 2012, proposals were received for the Recycling Plant Safety Shower Upgrades Project. The project consists of upgrading the existing safety shower system at the Denver Water Recycling Plant, Commerce City, Colorado. The project includes the installation of tempered water systems, ADA compliant safety shower units and flow detection alarm systems in 4 buildings to a total of 26 safety shower Units.

Three proposals were received with the low proposal submitted by JCOR Mechanical, Inc. of Golden, Colorado in the amount of \$254,650.00. The Engineer's Estimate for the work was \$230,000.00.

The Minority and Women Business Enterprise (MWBE) goal established for this construction project is 3% participation. JCOR Mechanical, Inc. achieved 100% MWBE participation.

The 2012 Capital Improvement Plan (MPC 2BC0002) does not include sufficient funds for this project.

Recommendation:

It is recommended that the Board award Contract 13831A to JCOR Mechanical, Inc. for the Recycling Plant Safety Shower Upgrades Project in the amount of \$254,650.00.

Budget Considerations

Master Plan Code(s): 2BC0002

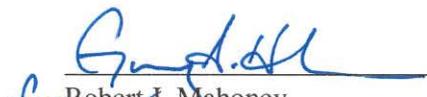

Budgeted Item Unbudgeted Item Funds transferred from another project:
