Information

Contract# 13175A

Jim Browne of Sempra Professional Services (a WBE Certified firm) has been engaged as a Project Manager, augmenting staffing in the Tier III New Solutions section of the Information Technology division since August of 2010. Jim was engaged to replace Sharon Flinn of Point-B Solutions as our overall EAMS (Enterprise Asset Management System) project manager, following Sharon's departure in August, 2010. Over the next year, Jim will continue to provide overall EAMS project management and coordination for EAMS projects such as:

- EMAP – new GIS access portal for office and mobile users
- Water Network Integration
- Distribution Engineering Work Planning & Estimating
- Mobile workforce applications for Locates, Customer Service Field, and T&D Crews

Services provided under this contract extension will be charged at the current rate of \$110.00/hour. Funding for this contract extension is budgeted in the IT Enterprise Asset Management System budget (MPC 3HN0006).

Recommendation:

It is recommended the Board approve this contract extension with Sempra Professional services, LLC for the project management services of Jim Browne for an additional twelve months, for an additional amount not to exceed \$220,000. This extension will bring the contract amount with Sempra Professional Services, LLC to a total of \$308,000.

Approvals:

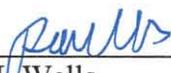

Chris Dermody,
Director of Information Technology

Respectfully submitted,

James S. Lochhead, CEO/Manager

Patricia L. Wells,
General Counsel
