Information

On April 28, 2011, bids were received for the replacement of the electrical service and switchgear at the Bellevue Pump Station. The project scope includes replacement of the main switchgear assembly, main service transformers and medium-voltage cabling. Other major portions of the project include a platform extension to accommodate new equipment, minor hydraulic piping modifications and removal and disposal of obsolete equipment.

Three bids were received with the low bid being submitted by Sturgeon Electric Company, Inc. of Henderson, Colorado, in the amount of \$1,397,885.00. The Engineer's Estimate for the work was \$2,025,000.00. The remaining funds shall be utilized for the replacement of obsolete control equipment at the pump station.

The Minority and Women Business Enterprise (MWBE) goal established for this project is 3% participation. Sturgeon Electric Company, Inc. achieved 4.65% MWBE participation.

The 2011 Capital Improvement Plan (MPC 2DB0335) includes sufficient funds for this project.

RECOMMENDATION

It is recommended the Board award Contract 13466A to Sturgeon Electric Company, Inc. for the Bellevue Pump Station Service and Switchgear Replacement in the amount of \$1,397,885.00.
