Information

Contract# 10948A

Aellius Professional Research & Consulting, LLC, (a WBE) has been engaged to provide technical support for the enterprise financial system (Oracle JDE / EnterpriseOne) since July, 2007. More specifically, Aellius provides production system problem resolution, performance tuning, CNC administration, deployment of software upgrades, and application development and customization.

Continuation of these support services is needed. Aellius possesses both the necessary technical expertise and specific Denver Water business knowledge, and can provide the needed services on a cost-effective basis.

Sufficient funding for this contract extension is budgeted in the Information Technology Professional Services budget (MPC: 4JN0100).

Recommendation:

It is recommended the Board approve this contract extension with Aellius Professional Research & Consulting, LLC for technical support services related to the JDE system, for an additional twelve months, at a cost of \$50,000. This extension will bring the contract amount with Aellius to a total of \$277,000.00.
