On March 18, 2010 the Board approved Agreement 12528A with MWH Laboratories for laboratory services for the Board's Water Quality Laboratory on as-requested basis for \$50,000.00. The intention was \$50,000.00 per year until March 2013. However the contract reads Work shall be completed no later than March 31, 2013. This Amendment acts to correct wording of that contract.

Recommendation:

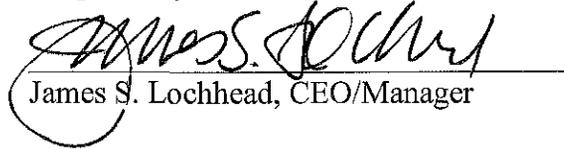

It is recommended the Board approve First Amendment to Agreement 12528A to MWH Laboratories for laboratory services for the Board's Water Quality Laboratory on as-requested basis for \$50,000.00 each year until March 18, 2013 bringing the total agreement amount to \$150,000.00.

**Approvals:**

Brian Good  
Director of Operations and Maintenance

Respectfully submitted,

  
James S. Lochhead, CEO/Manager
