

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: September 10, 2014

Board Item: II-A-6

Purchase of Additional Cisco Networking Equipment for the IT Disaster Recovery Project

Action by Consent

Action

Information

Denver Water has a need to purchase additional Cisco networking equipment for the IT Disaster Recovery Project. The new network equipment, will replace existing equipment at the alternate data center that no long meets network capacity requirements.

Pricing quotes were obtained from four local/regional Cisco resellers, with the best pricing being provided by ProTech at \$108,683. Funding for this purchase is included in the 2014 IT-DR Project budget under MPC 3HN0041.

Budget Information

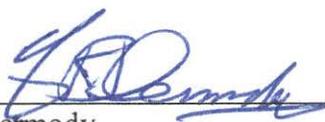

2014 Budget	\$	397,000.00
Amount Requested This Item	\$	108,683.00
YTD Expenditures	\$	174,523.04
Additional Expenditures Anticipated	\$	0.00
Revised Estimate	\$	0.00
Variance Required	\$	0.00

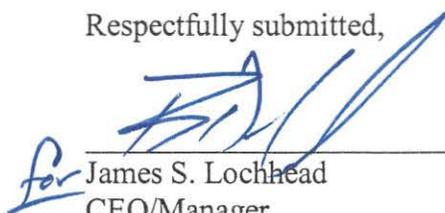

Recommendation:

It is recommended the Board approve the purchase of additional Cisco network gear as outlined in the quote from ProTech, for a total amount not to exceed \$108,683.00.
