

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: May 14, 2014

Board Item: II-A-6

**Relocation of Conduit No. 61 and Various Distribution Mains  
City and County of Denver Street Improvement Project  
Agreement 15105A**

Action by Consent                       Action                       Information

The City and County of Denver has launched a project to improve South Broadway between Arizona Avenue and Kentucky Avenue and Mississippi Avenue east and west of Broadway. Agreement 15105A sets forth Denver Water’s interaction and participation on the project.

The project will require the relocation of Conduit No. 61 and various distribution mains. Denver Water is also taking advantage of the street construction to replace a portion of Conduit No. 61 that will reside under the new roadway. To increase the efficiencies of the construction process, the City’s contractor will carry out the relocations and replacements.

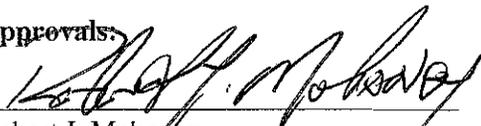

Denver Water is obligated to fund the above stated relocations required by the City funded street improvement project as set forth in the Denver Water Operating Rules for a betterment. Agreement 15105A is the Intergovernmental Agreement whereby Denver Water will reimburse the City and County of Denver. The estimated cost for these relocations is \$1,145,149.82.

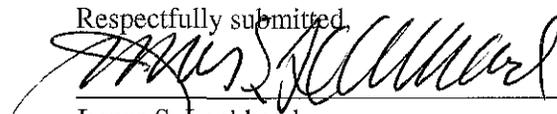

Engineering will allocate funding for Agreement 15105A in the 2015 Budget.

**Recommendation**

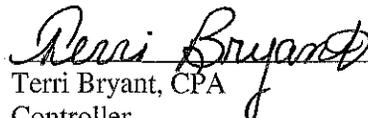

It is recommended that the Board approve Agreement 15105A to the City and County of Denver in the amount of \$1,145,149.82.
