Information

Summary:

Denver Water periodically disposes of fleet vehicles and other equipment that are below minimum operating and maintenance standards. In 2014 Roller & Associates Inc. auctioned these vehicles, equipment and miscellaneous items to the highest bidder on behalf of Denver Water. The 2014 auction results are summarized below for the Board's information.

Budget Information:

The total amount received from Roller & Associates Inc. for 10 fleet vehicles was \$43,675.90, for 6 heavy equipment machines was \$158,562.00 and for 313 miscellaneous items were sold for \$34,850.83. For comparison purposes in 2013 Denver Water received \$56,945.00 for 13 fleet vehicles and \$23,814.20 for 210 miscellaneous items.

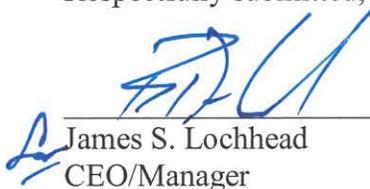

In addition, Denver Water received \$163,485.40 from Iron & Metals Inc. for scrap metal sales. For comparison purposes in 2013 Denver Water received \$74,002.03 from scrap metal sales.

Lastly, in 2014 a 54" Butterfly Valve was sold to a water utility for \$20,021.24. Also Denver Water received a payment of \$10,022.24 from Farmers Insurance due to a not at fault accident involving a 2005 Ford F250, V342.
