# USE ONLY WHAT YOU NEED.

Denver Water; 1600 W. 12th Ave, MC 330, Denver, CO 80204-3412

## Follow these steps to earn your rebate:

1. Verify that you qualify for Denver Water rebates. **See page 2 for complete eligibility rules.**
2. Purchase a qualifying model (see page 2) between Jan. 1 and Dec. 31, 2010. **Purchaser must be the one who applies for the rebate.**
3. Attach the entire receipt, which must include the date, brand and model number, to the application. Keep a complete copy for your records.
4. Submit a completed application, completed affidavit, copy of your identification and entire receipt to your water provider **within 90 days of purchase date. NO EXCEPTIONS.**

**Failure to cash a rebate check within 90 days of issuance shall void the rebate and shall relieve Denver Water of any obligation or liability to pay the rebate. Rebate checks cannot be reissued.**

\*Account numbers beginning with 03 do not qualify.

- Rebates apply to qualifying items purchased between Jan. 1 and Dec. 31, 2010. No exceptions.
- The rebate applicant must be the purchaser of the fixture.
- All application forms must be accompanied by a valid sales receipt. A valid receipt shows purchaser name, installation address, date purchased, manufacturer name/make, model number and the price for each item. The valid receipt must indicate the item is paid-in-full.
- Online purchases must show the manufacturer make and model of the appliance or fixture. Purchases must show a "paid" status.
- Application forms without complete information or a valid receipt will be returned to the applicant.
- If a property has received a rebate for any of following since Jan. 1, 2002, the resident is not eligible to receive a rebate for the same item for 10 years:
  - 3 toilets
  - 1 weather-based smart controller
  - 1 rain sensor
  - 1 clothes washer
  - 1 rebate for rotary nozzles

EXAMPLE: A customer who received a clothes washer rebate in 2006 is not eligible to receive another clothes washer rebate until 2016.
- Send rebate applications to your water provider who sends you your water bill. Your water provider will forward eligible applications to Denver Water for processing.
- If you live in an apartment or condominium, contact the management office and obtain your water account number.
- All applications must be accompanied by proof of lawful presence (affidavit) in the United States.
- All rebate applications must be submitted within 90 days of the purchase date. No exceptions.
- Only new fixtures or appliances qualify. Toilets and clothes washers that are used, leased, refurbished, rented, received from warranty or insurance claims, exchanged or won as a prize do not qualify for this rebate.
- Customers applying for a rebate must agree to allow Denver Water employees to access their properties in order to verify installation of devices eligible for rebates.
- Failure to cash a rebate check within 90 days of issuance shall void the rebate and shall relieve Denver Water of any obligation to pay the rebate. Rebate checks cannot be reissued.
- Make a copy of the entire application, receipt and affidavit, and keep the copy for your personal records.

**Qualifying Model Information-complete list at [www.denverwater.org/conservation/rebates](http://www.denverwater.org/conservation/rebates) or 303-607-3110**

## **Clothes washers (\$150 rebate)**

- Only models listed at [www.denverwater.org/conservation/rebates](http://www.denverwater.org/conservation/rebates) are eligible.
- Limit 1 clothes washer rebate per residence.

**NOTE:** The qualifying model list for the high-efficiency clothes washers is updated on a regular basis. The washer must be on a qualifying model list from 2010 and purchased within the last six months of the current list. Models on the list prior to 2010 that are not on the current list are not eligible for rebate.

## **High-efficiency toilets (\$125 rebate)**

- Only toilets that use 1.28 gallons per flush or less that are listed on [www.denverwater.org/conservation/rebates](http://www.denverwater.org/conservation/rebates) are eligible.
- Limit 3 toilet rebates per residence.
- Low-flow toilets (1.6 gallons per flush) do not qualify for rebate.

**NOTE:** The qualifying model list for the high-efficiency toilet is updated on a regular basis. The toilet must be on a qualifying model list from 2010 and purchased within the last six months of the current list. Models on the list prior to 2010 that are not on the current list are not eligible for rebate.

## **Wireless rain sensors (\$50 rebate) and rain sensors (\$25 rebate)**

- All wired and wireless rain sensor models that connect to an automatic, in-ground irrigation system are eligible for the rebate.
- Limit 1 rain sensor rebate per residence.

## **Rotary nozzles (\$5 rebate, minimum purchase is four)**

- Eligible models include Hunter MP, Rain Bird and Toro Precision rotary nozzles. See qualifying model list for full details.
- One-time rebate per property.

## **Weather-based smart controllers (25% of purchase price)**

- See qualifying model list at [denverwater.org/conservation/rebate](http://denverwater.org/conservation/rebate).
- Limit 1 weather-based smart controller rebate per residence.
- Some smart controllers operate based on historical information, while others operate based on current weather data transmitted each day from local weather stations during the irrigation season. Prices vary depending on the model, brand and vendor.
- Equipment cost and labor must be separated on receipt.
