

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: November 19, 2014

Board Item: II-B-2

**Tabulation of Proposals for Conduit No. 16  
72-Inch Diameter Steel Pipeline Installation at  
McIntyre Street Crossing  
Contract 15671A**

Action by Consent                       Action                       Information

On November 13, 2014, proposals were received for Conduit No. 16 – 72-Inch Diameter Steel Pipeline Installation at McIntyre Street Crossing Project. The project includes all labor, materials, and equipment including the following: furnishing and installing approximately 230 lineal feet of 72-inch diameter steel pipe including dished bulkheads; selective demolition; traffic control; dewatering; erosion control; and asphalt paving. Beginning in April 2015, Jefferson County plans to widen McIntyre Street from West 44<sup>th</sup> Avenue to West 54<sup>th</sup> Avenue and install a new storm sewer pipeline for surface drainage improvements. Denver Water coordinated a six-day closure of McIntyre Street with Jefferson County, scheduled for March 2015, to install a portion of the Conduit No. 16 replacement project. This allows Denver Water to avoid interference with the proposed storm sewer line and restoration of the forthcoming McIntyre Street widening.

Five Contractors were provided with proposal packages, and four proposals were received with the low proposal submitted by Garney Companies, Inc. of Littleton, Colorado in the amount of \$637,000.00. The Engineer’s Estimate for the work was \$400,000.00. The reasons for the difference between proposal and estimate amounts will be confirmed, but are likely due to tight project constraints.

*The Minority and Women Business Enterprise (MWBE) goal established for this construction project is 5% participation. Garney Companies, Inc. achieved 5.65% MWBE participation.*

The proposed 2015 Capital Improvements Plan (MPC 1AJ0007) does not include sufficient funds for this project. A variance was recommended by the Program and System Manager’s process.

**Recommendation**

It is recommended that the Board award Contract 15671A to Garney Companies, Inc. for Conduit No. 16 – 72-Inch Diameter Steel Pipeline Installation at McIntyre Street Crossing in the amount of \$637,000.00.

**Budget Considerations**

Master Plan Code(s): 1AJ0007

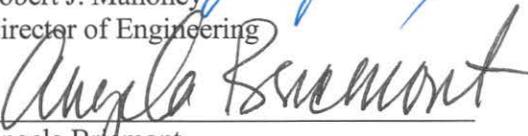

Budgeted Item             Unbudgeted Item             Funds transferred from another project:

**Budget Information**

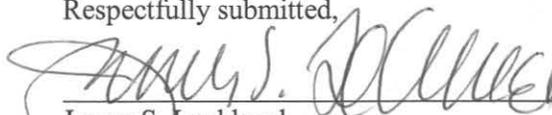

Proposed 2015 Budget	\$	400,000.00
Amount Requested This Item	\$	637,000.00
YTD Expenditures	\$	0.00
Additional Expenditures Anticipated	\$	0.00
Revised 2015 Estimate	\$	637,000.00
Variance Required to 2015 Budget	\$	237,000.00

**Approvals:**

  
Robert J. Mahoney  
Director of Engineering

  
Angela Briemont  
Director of Finance

Respectfully submitted,

  
James S. Lochhead  
CEO/Manager

  
Terri Bryant, CPA
