

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: December 11, 2013

Board Item: V-A- 7

**Tabulation of Proposals for the
12-Inch and 20-Inch Mains – Main Installations at Smith Road and Syracuse Street
and East 40th Street and Blake Street
Contract 14580A**

Action by Consent Action Information

On November 14, 2013, proposals were received for the 12-Inch and 20-Inch Mains – Main Installations at Smith Road and Syracuse Street and East 40th Street and Blake Street Project. The project includes providing all labor, materials, and equipment for the 12-Inch and 20-Inch Mains - Main Installations at Smith Road and Syracuse Street & at East 40th Street and Blake Street including the following major components:

- Furnishing and installing 12-inch PVC Main: Smith Road and Syracuse Street - Approximately 158 feet of water main installed using open-cut trench and 245 feet of water main installed in a 22-inch diameter steel casing pipe installed by tunneling.
- Furnishing and installing 20-inch PVC Main: 40th Street and Blake Street - Approximately 15 feet of water main installed using open-cut trench and 413 feet of water main installed inside of a 32-inch diameter steel casing pipe installed by a combination of open-cut trench and tunneling.

A request for Statement of Qualifications was publicly advertised in which contractors responded and submitted qualifications as a General Contractor and/or Tunneling Sub-Contractor. Ten pre-qualified General Contractors and ten pre-qualified tunneling Sub-Contractors were approved and provided with proposal packages. Eight General Contractors attended the mandatory pre-proposal meeting. Two proposals were received and evaluated through a Quality Based Selection (QBS) process by DW Staff. The QBS selected winning proposal was submitted by BT Construction, Inc. of Henderson, Colorado in the amount of \$766,860.00. The Engineer’s estimate for the work was \$750,000.00.

The Minority and Women Business Enterprise (MWBE) goal established for this construction project is 5% participation. BT Construction, Inc. achieved 5.07% MWBE participation.

The 2014 Capital Improvement Plan (MPC’s 2DD0100 & MPC 2DD0277) includes sufficient funds for this project.

Recommendation

It is recommended that the Board award Contract 14580A to BT Construction, Inc. for the 12-Inch and 20-Inch Mains – Main Installations at Smith Road and Syracuse Street and East 40th Street and Blake Street Project in the amount of \$766,860.00.

Budget Considerations

Master Plan Code(s): 2DD0100 & 2DD0277

Budgeted Item Unbudgeted Item Funds transferred from another project:
